BIRKDALE NORTH MUSIC CENTRE

NEWS:

Birkdale North Music Centre is open for 2020 enrollments now.

We have a **free Instrument Experience** session on 16th of November from 11:00 am to 12:20 pm Saturday. Come along to view and try the instruments we offer lessons for, teachers will be available to demonstrate and discuss each instrument and lesson options.

ENROLLMENTS

Birkdale North Music Centre is a great place where children can have fun with music, and take part in inexpensive classes held at Birkdale North Primary School on **Saturday mornings**. Birkdale North Music Centre is for all children from school years 1 to 8.

Children can start at the age of 5 with Introduction to Music class.

All children between 6 plus year old start with two basic years. In the first year they start with lessons on the **recorder**. In their second basic year they can choose either **keyboard, violin, ukulele or recorder**.

Due to limited spaces available for second-year choice instruments, please only enroll in one instrument lesson.

After the two basic years the students can go on to learn an instrument of their choice from the following:

Strings: Violin, Cello, Guitar

Wood wind: Flute, Clarinet, Saxophone

Brass: Trombone, Trumpet

We also provide drum, ukulele and vocal lessons.
